Approved student organizations may conduct fundraising events after receiving approval from the Dean of Students. Organizations wishing to conduct these events must submit a written request not later than ten days prior to the event, including the date the event is to be held, as well as the purpose of the event. Students may be permitted to raise money for BCF related missions trips, but permission must be obtained from the Dean of Students prior to commencement of fundraising. See the Dean of Students for further information. Violations should be reported to the Dean of Students.
