Our students are called to serve the Lord locally and globally. We would love for you to check us out on Facebook, Twitter, or Instagram or schedule a tour of the BCF campus!
SPIRITUAL ENRICHMENT

Spiritual disciplines are found at the very center of everything that we do at BCF. We know that we are Changing the World Through the Unchanging Word®. If you want to learn more about growing in your faith during your college experience, call us today!

BAPTIST COLLEGIATE MINISTRIES

BCM operates on the BCF campus and beyond to connect students with one another and the community through special events and competitions, while maintaining a Christ-like spirit! BCM provides a vital involvement in churches in the surrounding area.

INTRAMURAL SPORTS

BCF offers a wide range of intramural sports which cultivates healthy competition among the student body. If they are not competing in an intramural game, students are often found in the Wellness Center playing pickup games of basketball, volleyball, and racquetball.

CAMPUS HOUSING

On-campus housing at the college provides another opportunity to meet new people and create a space to call home. The Campus Safety Office monitors the BCF campus 24/7. Our maintenance staff is constantly at work to provide a positive, safe living environment.

We have never had such a great opportunity to impact the world. With new technologies we have instant access to a volume of information that was unimaginable only a few years ago. Yet with all of the advances, we seem less prepared than ever to deal with the issues of life.

The Baptist College of Florida is reaching out through international study opportunities, internet delivery systems, and many other innovative methods. We offer top quality education and training on our campus in Graceville, Florida. Our single purpose is to educate and train those individuals whom God has called to serve Him in a multitude of venues and places around the world. The diversity of service is as big as the mind and heart of God. The urgency for trained workers is as great as the need of the marketplace.

The stage is set. Anticipation is great. The needs of the world are monumental. The faculty, staff and programs of instruction are operating. The only question is whether you will join in this great adventure at this pivotal time in history. We invite you to contact us for further information, and most importantly, join us in this great enterprise. The calendar is turning to a lot of unknowns. Join us in sharing the One who is known and seeks to be known to all who will hear.
